

PREMIUM RIGID BOXES

Made to order premium rigid boxes are more than just a packing. Our bespoke boxes add value to your product that is inside. With our made boxes your customers will have an unforgettable unboxing experience, emotions of perfection and quality. We manufacture premium rigid boxes in all shapes and sizes starting from as little as 100 pcs per order.

Print

Most of our premium boxes are covered with fancy decorative papers and finished with hot foil stamping, UV varnish, embossing or debossing. Boxes can also be covered with different offset printed papers, some of them can be done with silkscreen print.

Post-print finishing

Premium rigid boxes can be finished with spot UV varnish, hot foil stamping in variety of colors, embossing, debossing, handles, windows, drawers, magnet closures, glued in ribbons etc. Matt, gloss, non-scratch, soft touch, linen textured laminate can be used.

Materials

Most of our luxury and rigid boxes are manufactured from high quality 1,5 mm., 2mm. 2,4 mm., 3mm. greyboard/bookboard and laminated with printed paper, decorative paper, textile or artificial leather. Some of them are hand finished or 100 % hand made.

Accessories

Premium gift boxes can be done with magnetic closure or glued in ribbons, can accommodate ring mechanisms, foam or paper, cardboard inserts.

Lead time

Bespoke premium boxes are manufactured and delivered within 2-3 weeks lead time.
